Subject: Confidential - Penalties for assaults on public officers
Date: Friday, 24 January 2020 12:41:14 PM

Hi,

Mandatory jail time minimum 6 months, and longer for more serious assaults is needed. No options to reduce sentences should apply to those who assault public officers. A stern, severe sentence not degraded over time needs to be sent as a warning and reminder to those in society who have little or no regard for the law. The current laws and penalties are an utter joke and have no deterrent.

Regards
